## **Wombat Announces Feed Handler for Euronext.liffe**

*Nov 29, 2006* - Wombat has released a feed handler for the Euronext.liffe real time market data feed. Euronext.liffe is the international derivatives business of Euronext, comprising the Amsterdam, Brussels, Lisbon, London and Paris derivatives markets. Through the LIFFE CONNECT® electronic trading platform it provides access to real time market data to Europe's cash and derivative market.

For further details on the Euronext.liffe and LIFFE CONNECT® visit: [http://www.euronext.com/editorial/0,5371,1732\\_200728679,00.html](http://www.euronext.com/editorial/0,5371,1732_200728679,00.html)

The Wombat Euronext.liffe feed handler, which further extends our coverage of the European market, has passed the exchange's conformance tests and is compliant with all market data platforms supported by Wombat. Market participants should also note that Wombat's feed handler for Madrid Stock Exchange and the new Eurex feed are currently in testing.
